

A Total Approach to Health and Wellness

**We are looking for Registered Psychologists to join our growing teams.**

At Optimum Wellness Centres, we are committed to providing unparalleled patient care focused on the common goal of health and wellness. We provide an integrated, multi-disciplinary approach, providing services such as naturopathic medicine, chiropractic care, physiotherapy, massage therapy, acupuncture, psychology, custom orthotics, and much more. With strong relationships in the community, and a reputation for delivering high quality one on one care, our clinic keeps on growing!

**How you benefit from working with us:**

- Well established (since 2005) multidisciplinary clinic environment.
- Trained administrative support to allow you to walk in and start your practice tomorrow.
- Great earning potential with negotiable compensation based on volume and activity.
- Marketing and business development support to grow in your community.
- Ability to set flexible hours to serve your client's needs.

**Responsibilities:**

- Provide psychological and therapeutic services to a range of clientele
- Conduct clinical consultations and diagnostic assessments
- Prepare documentation, correspondence, and reports

**Requirements:**

- Registration as a clinical psychologist with the College of Alberta Psychologists
- Professional Liability Insurance
- Ability to work autonomously and as part of a team
- Outstanding written and verbal communication skills
- High level of organizational skills

**Compensation:**

- Compensation based on a very competitive split

Sounds rather challenging and exciting, right? Let's hope so, because if it sounds easy or boring, there's a good chance this isn't the right fit for you. But if it does sound right for you, we would love to hear all about why.
